# Plan

- 1) Gargas experience
- 2) Approach
- 3) Description of 3 devices
- 4) Movie presentation

# 1 - Gargas experience

# 1 - Gargas experience

- Gargas was discovered 100 years ago
- Some parts of the cave must be protected now
- But it is important to show the Gargas' treasures to the public

# 1 - Gargas experience

- Thus the organizers of the Gargas celebration decided to ask to IRIT to find a technical solution...

## 2 - Approach

- We proposed then 3 multimedia devices...

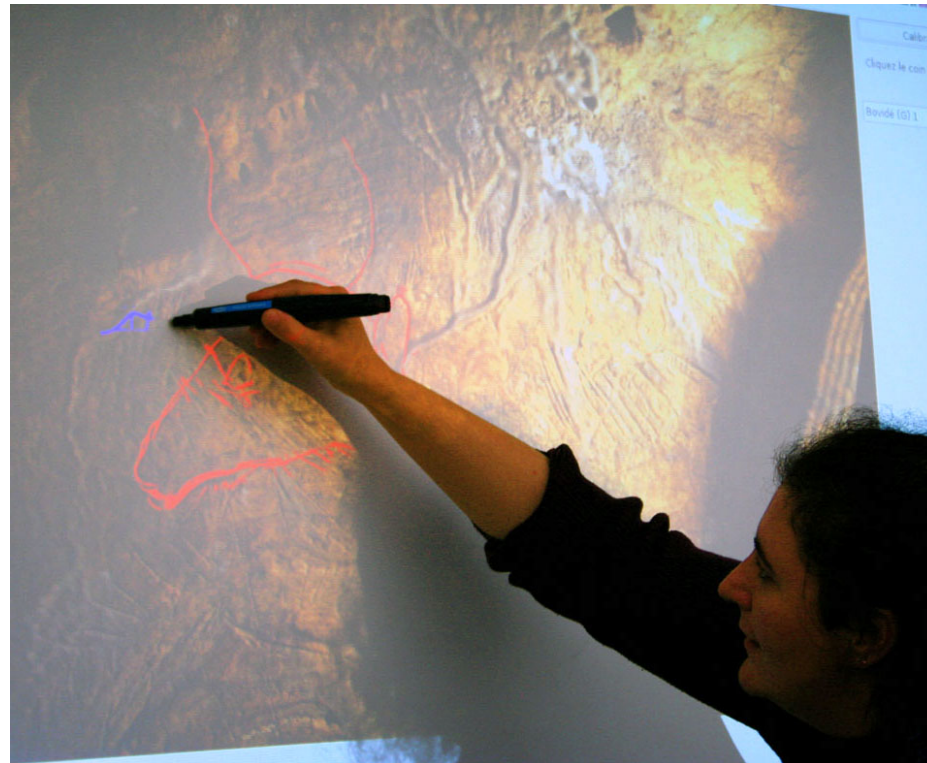

## 2 - Approach

- Because it is safe for Gargas
- Because it is possible to explore fine details
- Because It is a good support to expose teaching messages
- Because it is ludic

## 3 - Description of 3 devices

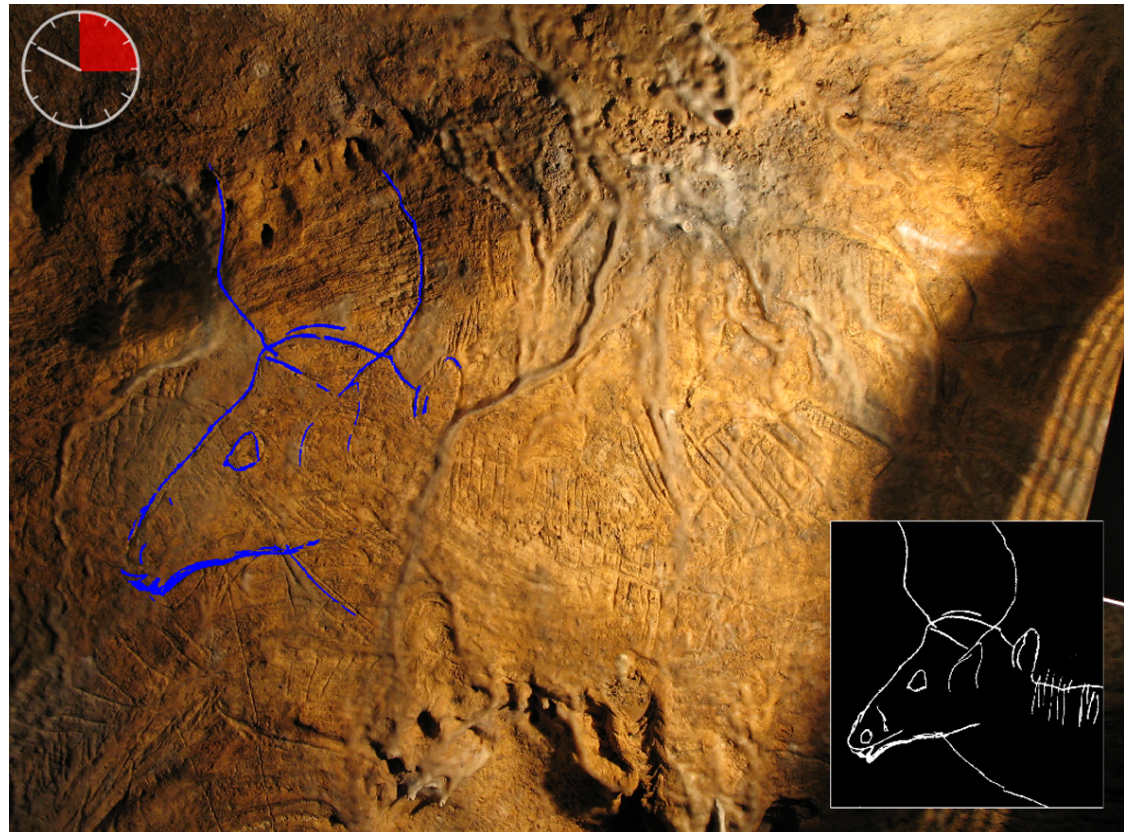

- The first one let us to draw on a multimedia table

## 3 - Description of 3 devices

- The second one is a Serious Game

## 3 - Description of 3 devices

- The last one let us to explore in 3D the "Sanctuaire des mains" (Sanctuary of the hands)

## 4 - Movie presentation
